**About Fortress Paper**

Fortress Paper operates internationally in three distinct business segments: dissolving pulp, specialty papers and security paper products. The Company operates its dissolving pulp business at the Fortress Specialty Cellulose Mill located in Canada which is also in the process of expanding into the renewable energy generation sector with the construction of a cogeneration facility. The Company operates its specialty papers business at the Dresden Mill located in Germany, where it is a leading international producer of specialty non-woven wallpaper base products. The Company operates its security paper products business at the Landqart Mill located in Switzerland, where it produces banknote, passport, visa and other brand protection and security papers, and at its Fortress Optical Facility located in Canada, where it manufactures optically variable thin film material.
